Code & Ordinance Committee Meeting of 12/11/08

Meeting called to order at 7:00 pm. Members present Rice, Scheff, Thomas, Ehlers, French absent.

There was a discussion and review of Village of Eagle Municipal Code Chapter 14 Licenses and Permits which needed to be updated to current status and fee schedule. A draft version was reviewed for accuracy when a discrepancy was noted on placement of quotation marks with respect to the Class A and Class B liquor licenses. The draft description of the licenses was also confusing. The committee decided to insert a "Definition" section after the title of 14.01, using language from State statutes to clarify each of the four (4) classes of licenses for the sale of alcoholic beverages. The words "FERMENTED MALT BEVERAGES RETAILER'S" were removed from section 14.01.3.a) and section 14.01.3.b). The title of section 14.01.3.d) including change to placement of quotation mark was changed to read "CLASS A" LICENSE and the title section of 14.01.3.e) including change to placement of quotation mark was changed to read "CLASS B" LICENSE.

Thomas made a motion to submit the Ordinance to amend Chapter 14 with the changes mentioned. Motion was seconded by Scheff and approved unanimously by the committee. Thomas made a motion to adjourn, seconded by Scheff and meeting was adjourned at 7:26 pm.
