

Development Assistance Committee Minutes
August 17, 2009

Meeting was called to order at 6:00 p.m. Members present: Chairperson Couch, Mike Rice and Rich Spurrell.

Brian Depies and Daniel Szcrap from Bielinski Homes were there to present their up-date on the Senior Housing. They explained that they were trying to partner up with another developer to build approximately the same buildings. But they could not give any type of answer or time frame. They were not responsive to giving us a number to sell the land to another developer, but would consider selling at a fair market price.

It is the consensus of the Committee that nothing is going on with Bielinski regarding the Senior Center.

Meeting ended at 6:40 p.m.

Respectfully submitted,

Roger Couch
