

VILLAGE OF EAGLE PLANNING COMMISSION
“APPROVED” MINUTES – OCTOBER 27, 2009

President Spurrell called the monthly meeting of the Village of Eagle Planning Commission to order at 7:12 p.m. The secretary confirmed Open Meeting Law requirements. Roll was taken: Wilkinson, Deegan, Block, Couch, R. Spurrell – present; Steinbach and Lisiecki – excused.

President Spurrell stated that he did not complete the minutes of the special meeting of August 31st and that they would have to be approved at the next meeting. Moved by Wilkinson to approve the minutes of August 25th; Block seconded. Motion carried unanimously.

Moved by Wilkinson to recommend approval of the Resolution adopting the Village of Eagle Comprehensive Development Plan 2035; Couch seconded. Under further discussion, Brian Pionke noted that the motion should state “as amended”. (At the public hearing, Pionke had received a number of minor revisions (typos) from SEWRPC.) Wilkinson amended his motion accordingly, and Couch his second. Motion carries unanimously.

President Spurrell indicated that he would like the Planning Commission to review and update Ch. 9 Zoning Ordinance and then give it to the Code and Ordinance Committee for their review. The ordinance was revised in 1996 with minor updates in 2006. He suggested that the chapter be reviewed in sections because it is quite lengthy. He requested that the members review the first three (3) sections, Introduction, General Provisions, Zoning Districts and bring their suggestions back to the next meeting.

There being no further business, moved by Wilkinson, seconded by Deegan to adjourn. President Spurrell adjourned the meeting at 7:17 p.m.

Respectfully submitted,

Shirley Mealy
Planning Commission Secretary
