

**VILLAGE OF EAGLE
WAUKESHA COUNTY**

RESOLUTION NO. 2005-05

DESIGNATION OF THE NATIONAL INCIDENT MANAGEMENT SYSTEM AS
THE BASIS FOR ALL INCIDENT MANAGEMENT IN THE VILLAGE OF EAGLE.

WHEREAS, the President of the United States in Homeland Security Directive (“HSPD”)-5, directed the Secretary of the United States Department of Homeland Security to develop and administer a comprehensive National Incident Management System (“NIMS”), which would provide a consistent nationwide approach for federal, state, local and tribal governments to work together more effectively and efficiently to prevent, prepare for, respond to and recover from domestic incidents, regardless of their cause, magnitude or complexity;

WHEREAS, collaboration by and among all federal, state, local and tribal homeland security partners has been, and will continue to be, vital to the effective development, implementation and utilization of the NIMS;

WHEREAS, it is necessary and appropriate that all federal, state, local and tribal emergency service agencies coordinate their efforts in order to effectively and efficiently provide optimal levels of incident management;

WHEREAS, to effectively and efficiently manage incidents it is critical that federal, state, local and tribal public safety organizations utilize standardized terminologies, integrated organizational structures, interoperable communications, consolidated action plans, unified incident command structures, uniform personnel qualification standards, common standards for planning, training and exercising, comprehensive resource management, and designated incident facilities during emergencies or disasters;

WHEREAS, the NIMS standardized procedures for managing personnel, communications, facilities and resources will improve the ability of the Village of Eagle to utilize federal and state grant funding to enhance local agency readiness, maintain first responder preparedness and streamline incident management processes;

WHEREAS, the Incident Command System (“ICS”) components of the NIMS are already an integral part of various incident management activities throughout Waukesha County and the State of Wisconsin, including current emergency management training programs; and

WHEREAS, the National Commission on Terrorist Attacks (9-11 Commission) recommended adoption of a standardized ICS throughout the nation;

NOW, THEREFORE, be it resolved that the Eagle Village Board of Trustees does hereby establish the National Incident Management System as this municipality's standard for incident management.

Adopted this 9th day of June, 2005
