

VILLAGE OF EAGLE  
RESOLUTION 2006-06

The Code & Ordinance Committee recommends that, by simple resolution, the Eagle Village Board of Trustees recognize WI St. Statute 134.71, relative to dealing in second hand articles, and, its own ordinance 9.0310, relative to permitted use activities in B-1 zones, in order to allow the operation of the "We Sell" store at 101 S. Elkhorn Road. Because of the latitude that may be found in the statute and the ordinance, the resolution is meant to cover the establishment at the named address only and only if the business continues to operate as a computer internet sales establishment.

Adopted this 13<sup>th</sup> day of April, 2006

  
Richard Spurrell, Village President
